

## What is an access to leisure card?

The access to leisure card scheme has been designed to make it easy for you and your family to access local sport and leisure activities. The card usually lasts for three years and gives you discounts on a range of activities at sports and leisure centres in each of the areas we operate in.

As a card holder, you can book activities seven days in advance, either in person, on the phone or online. You also receive discounts at a number of other local attractions, eating out venues and activity centres.

Children on the Better Swimmers Sooner schemes, annual payers and direct debit members are all entitled to a free leisure card as part of their package.

Customers with disabilities, on low income or receiving benefit can apply for a green leisure card. The card is valid for one year and gives bigger discounts on all our activities.

### How to get your card?

Application forms are available at any of our sport and leisure facilities. Or complete the downloadable form on our website and then take it with payment to your nearest centre.

For green card applicants – please take the completed form to your nearest centre with proof of identification and a current letter showing your allowance or benefit.
