- The Copeland access to leisure (*cal*CARD) makes it easy for you and your family to access our local sport and leisure activities.
- The card lasts three years and gives discounts on activities at our sport and leisure centres. You can book activities seven days in advance, either in person, on the phone or online.
- Card holders can also receive discounts at other local attractions, eating out venues and activity centres.
- Customers with disabilities, on low income or receiving benefit can apply for a green leisure card. The card is valid for one year and gives even bigger discounts.
- As North Country Leisure also operates leisure facilities in Tynedale and Alnwick, you can also use your card in these areas to gain further discounts.
