

North Country Leisure Copeland

Come on Board

NCL Copeland is the organisation which provides leisure services in the Copeland Borough, including Whitehaven Sports Centre, Copeland Pool, Copeland Bowls and Sports Centre and Whitehaven Civic Hall.

We operate with a management board of local people who develop these services, and meet every two months.

We are looking for community minded people with an interest in sports, leisure and cultural activities to help develop the organisation which is part of North Country Leisure, a registered charity. These are voluntary positions, no particular experience is required, much more important is enthusiasm and a commitment to improving your local services.

If you are interested, please either call in to one of the above Centres or contact Vicky Irwin, Tel: (01434) 613202, e-mail: vicky.irwin@northcountryleisure.org.uk or visit www.northcountryleisure.org.uk

Please let us know if you are interested by Friday 30th January, 2009.

INVESTOR IN PEOPLE
